6 pm–9 pm						

Please list any other volunteer roles you might like such as fostering kittens in your home*, socializing feral kittens, driving cats to vet appointments, adoption days at PetsMart, Fundraising, etc.

Please tell us about pets you currently own or have owned in the past and what happened to those you no longer have.

Have you ever volunteered in a shelter before? If so, when, where and what did you do?

Do you have any allergies or limitations that may restrict your activities? Please explain.

*Foster homes must have a separate room in which to isolate the foster cats/kittens. Feline Friends provides vet care for all foster cats/kittens but all other expenses (food, litter, toys, etc) are the foster home's responsibility.
